

OFFICE SHREDDER

# 5131

*Especially powerful office shredder with a high shred speed and shred bin volume. Powerful and particularly safe with the electronically controlled safety flap as part of the SPS safety package. EASY-SWITCH guarantees easy and intuitive operation.*

## EBA 5131 C | CCC

With 310 mm feed opening suitable for A4 paper sizes widthwise and lengthwise or A3 sizes lengthwise. SPS – (Safety protection System) package: patented, electronically controlled, transparent safety flap in the feed opening as additional safety element; EASY-SWITCH – intelligent control element indicating the operational status of the shredder with varying colour codes and back-lit symbols; automatic reverse and power cut-off (avoids paper jams); automatic stop if the shred bin is full; electronic door protection via a magnetic proximity switch; double motor protection against overheating; ZERO ENERGY CONSUMPTION: Complete, automatic disconnection from power supply after 30 minutes. Automatic start / stop via a photo cell in the feed opening. ECC – Electronic Capacity Control: patented indication of the used sheet capacity during shredding process. Automatic oil injection on the cutting shafts during shredding operation for a consistently high shred performance. High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts under conditions of fair wear and tear (except EBA 5131 CCC). EBA 5131 C suitable for safe shredding of the most common CDs and DVDs. Powerful 1600 Watt single phase motor for continuous operation. Sturdy chain drive. High-quality wooden cabinet with a cabinet volume of 180 litres. Movable on castors. Environmentally-friendly shred bin with 140 litres volume for the shreds (no disposable shred bags required). Attractive colour combination silver / dark grey. Quality “Made in Germany”.

	EBA 5131 C	EBA 5131 C	EBA 5131 CCC
Insertion width in mm	310	310	310
Cutting width in mm	4 x 40	2 x 15	0,8 x 5
Sheet capacity (A4, 70 g/sqm)	40-45	25-30	11-12
Sheet capacity (A4, 80 g/sqm)	34-39	21-26	9-10

The technical data is approximate. Subject to change. 03/2013

Robust and durable: High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts under conditions of fair wear and tear (except EBA 5131 CCC).

EASY-SWITCH: intelligent multifunction switch element with integrated optical signals for the operational status of the shredder.

ECC Electronic Capacity Control – LEDs indicate the used sheet capacity during the shredding process to avoid paper jams.

The automatic oil injection system lubricates the cutting shafts when shredding and guarantees a consistently high shred performance.
